## Les Baux-de-Provence

Nestled at the foot of the majestic Château des Baux-de-Provence, in the heart of the Alpilles, Moulin CastelaS is much more than an olive estate — it's an invitation to discover the soul of Provence through a unique, sensory, and immersive experience. Surrounded by sun-drenched olive groves and exceptional olive oils, and guided by their savoir-faire, Catherine, Jean-Benoît, and their daughter Émilie Hugues welcome visitors seeking authenticity into the heart of their mill.

VIDEO TOUR OF  
OUR ESTATE AND  
ACTIVITIES.

LES BAUX-DE-PROVENCE IS LOCATED  
IN THE HEART OF THE ALPILLES,  
ABOUT 15 KM FROM ARLES, 25 KM  
FROM AVIGNON, AND 70 KM FROM  
MARSEILLE.

## A Provençal Escape Between Tradition and Flavor

From the moment they arrive, visitors are immersed in a quintessential Provençal setting, where centuries-old olive trees mingle with the scents of the garrigue and the song of the cicadas. True olive artisans, the Hugues family proudly embrace their craft as oliverons—a tradition that combines olive cultivation, oil extraction, and the blending of exceptional olive oils, much like a winemaker with their wine.
