THE CIRCUIT OF POETS AND FAMOUS CHARACTERS AND ITS WORKS OF ART

MAUSSANE-LES-ALPILLES

ART AND FELIBRIGE

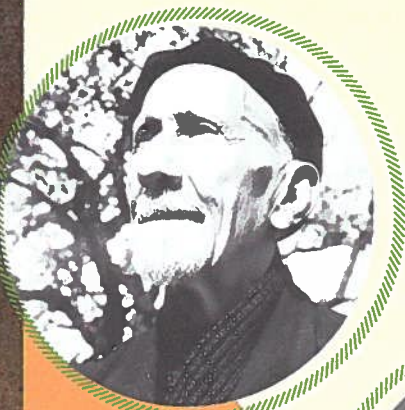

THE FAMOUS POETS TOUR

Art in all its forms blends with history to highlight our Provençal cultural heritage. Works of art represent each author or their work. The tour traces the history of Provençal poets and the influence of an extraordinary woman, Emma Catherine TEISSIER (Fortunette).

The town council is highlighting the role played by this woman born in Maussane in the Félibrige movement, with a work of art specially dedicated to her and occupying a prominent place in the village. This tour offers a new perspective on the era of the Félibres, a link between the present and the past.

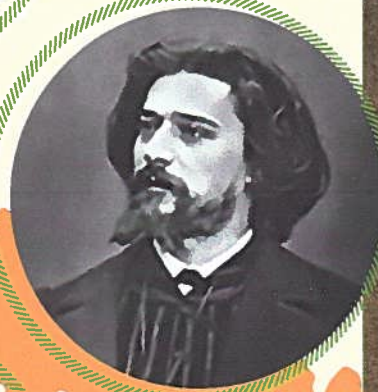

Download the QR Code for each character on their own totem to find out their story.
